Spotlight Employee: Nickie

Nickie is a Community Assistant for buildings 6 & 7. She is an education major at the University of North Texas and enjoys spending time with friends. November will be her last month working with Campus Park. She loved her job as a CA and is sad to be leaving.

“I love the staff that I work with and enjoy helping residents here at Campus Park. Unfortunately, my school schedule doesn't leave enough time to continue working. I know that Campus Park has a wealth of great residents to choose from and will find a great replacement for me!”
